

Product Description

Isopropyl Alcohol is a clear, colorless liquid with a characteristic alcoholic odor. It is a medium evaporating and non-hazardous air pollutant solvent. This product is available in 1-gal. or 5-gal. containers.

Product Applications

Isopropyl Alcohol can be used as a general use cleaning solvent. It effectively removes all types of residues, oxides, oils, and contaminants. It is generally compatible with most materials used in electronics.

Safety Precautions

Isopropyl Alcohol is flammable and should be stored in original containers away from heat, open flame, and other sources of ignition. Containers should be properly grounded. Use adequate ventilation to remove fumes. Open containers slowly to allow any excess pressure to vent. Avoid contact with eyes and skin. Dispose of in accordance with all applicable regulations.
